

WELCOME TO THE NBN FREQUENT VIEWER CLUB!

At NBN we value our loyal viewers - so we have decided to provide you with the opportunity to earn unique rewards, as well as the chance to win some fabulous prizes. Over the next 90 days (during April, May, June and July), have some fun and be REWARDED by watching NBN.

Rewards are available exclusively to NBN Frequent Viewers. The more you watch, the more rewards you can receive!

IT'S AS EASY AS A, B, C!

A HOW DO I PARTICIPATE IN THE NBN FREQUENT VIEWER CLUB?

1 Simply watch NBN between the hours of 4pm and 10pm each night from Sunday, April 13th, 1997. You don't have to watch every hour or even every day to participate, but the more you watch, the faster your points can grow and the more Rewards you can receive.*

2 Turn to the page in your NBN Frequent Viewer Passbook which matches the day and hour you are watching. There is a different trivia question and choice of answers for each hour between 4pm and 10pm daily.

3 At sometime during each hour (between 4pm and 10pm) the correct answer for that hour's question will appear on your screen.

4 Simply mark this correct answer in your Passbook.

5 Once your evening's viewing is completed, just register your Viewer Points by phoning the **FREQUENT VIEWER POINTS LINE** (see phone number below).

B HOW DO I JOIN THE NBN FREQUENT VIEWER CLUB?

1 On your first call to the **FREQUENT VIEWER POINTS LINE**, you will be registered and given a personal PIN number. Record this number in the space below. You will need it for future calls.

2 On each following call, your reward points will be credited to your personal PIN number.

3 Other family members can earn Rewards, but each person must have their own personal PIN number and points need to be registered separately.

WRITE YOUR PERSONAL 'PIN' NUMBER BELOW

The whole family can gain rewards, but each person must register points separately.

FAMILY MEMBER

If more than 4 family members wish to participate, record extra member numbers elsewhere.

C HOW DO I REGISTER MY POINTS?

1 At the end of each viewing evening, simply call the **FREQUENT VIEWER POINTS LINE** and follow the simple instructions over the phone. For each correct answer, you will be credited with Frequent Viewer Points. (You will be asked to register your answers to each trivia question by pressing 1, 2 or 3 on your telephone touch pad or by dialling the corresponding numbers.)

2 Answers for each question can only be registered once. You must call to register your points before 8am the following morning. If for example, you've watched the network between 4pm and 7pm, you could phone the **FREQUENT VIEWER POINTS LINE** anytime after 7pm, but before 8am the next day, to register your points. Obviously, the more correct answers you register daily, the more points you'll gain.

3 You can also call the **FREQUENT VIEWER POINTS LINE** to check how many points you have accumulated at any time during the promotion.

4 **DOUBLE POINTS NIGHT!** Keep watching NBN to find out when a special **BONUS NIGHT** of viewing may occur. On these designated evenings, you can earn **DOUBLE** the normal points for participating in the NBN Frequent Viewer Club!*

INFORMATION HELP LINE 0055 29 064

HOW QUICKLY CAN I EARN POINTS AND GAIN REWARDS?

VIEWING HOURS (on the same day)	POINTS EARNED*
1 hour	30 points
2 hours	50 points
3 hours	70 points
4 hours	95 points
5 hours	120 points
6 hours	140 points

Here's some examples of how easy it is to reach your rewards. If you watch our network for 3 hours each evening (between 4pm and 10pm) for 18 days, you would gain 1,260 viewer points.* That means you would have enough points (1200) for a Wide World of Sports Cap or Footy Show Mug, in just two and a half weeks! Or, if you watched for 5 hours each evening (between 4pm and 10pm), for 30 days, you will have enough points (3,600) for a Current Affair Spray Jacket or Getaway Cooler Bag! It's that simple! And with Double points nights, you can receive rewards even faster!
