

**YOUR
CHANCE
TO WIN**

**ONE
MILLION
DOLLARS!**

IT WORKS LIKE THIS:

1 Find a game card or cards like this in specially marked packs.

- 200gm leaf tea = 1 game card (PRINTED ON INSIDE OF FOIL.)
- 50 tea bags = 1 game card
- 100 tea bags = 2 game cards
- 200 tea bags = 4 game cards

2 Each game card has a “unique code”, rewarding you with between 1 and 10 entry entitlements into the Major Prize Draw.

The last 2 digits of the code denote how many entries you’re entitled to.

eg: **A020362004**

The above example shows an entitlement of 4 entries because the last two digits of code are “04”.

(Please note this is only an example to show you how the code works – your real code is on the other side of this game card.)

3 Go to www.maduratea.com.au and register your personal details and code/s. The Major Prize Draw takes place on 2/7/10.
